

ILLINOIS PHASE 1B VACCINATIONS:

Phase 1B vaccinations started on January 25, 2021. As Illinois moves into the early stages of Phase 1B of the COVID-19 Vaccination Administration Plan, Governor Pritzker announced a new website portal on coronavirus.illinois.gov to provide residents with easily accessible information about the COVID-19 vaccine. The new website portal, coronavirus.illinois.gov/s/phase-1b, will provide eligible residents with:

- Nearby vaccination sites
- Information on how to make an appointment to receive the vaccine
- Updates on the state's plan and eligibility
- Answers to frequently asked questions about the COVID-19 vaccine

For more information about Phase 1B, click [here](#). You can also visit the [Cook County website](#) for more information.

Where and how to make an appointment to get the vaccine?

Currently, COVID-19 vaccinations are available by appointment only. Click [here](#) to be directed to the portal where you can find vaccination locations on a map and get appointment information by following the listed links. You can also book appointments at [Walgreens](#) and [Osco](#).

As the supply of the vaccines increases and the state of Illinois receives more vaccine, the state will launch walk-in locations and expand the types of sites where consumers can get a vaccination, such as doctor's offices and urgent care centers.

Please check the state's coronavirus [website](#) or [Cook County website](#) frequently for timely updates on Illinois Phase 1B Vaccinations.
